Turn right (west) and go 1.3 miles on Ashley Road 221 and then veer left onto Ashley Road 247 (Loop Road). Continue south on Ashley Road 247 for 1.4 miles to the Union Pacific Railroad Tram Road. Turn left (southeast) onto the Tram Road and travel 1.1 miles to the natural area/wildlife management area access road. The natural area/wildlife management area access road is on the right (south) side, just past an open, flooded area that is on the left (north) side of the Tram Road. Travel a couple hundred yards on the natural area/wildlife management area access road to the Arkansas Game and Fish Commission Beryl Anthony Lower Ouachita River Wildlife Management Area sign and parking area. Walk about 0.5 mile along the old road trace in a southwesterly direction (posted with blue diamonds) to the boundary of the natural area. Note: this area is prone to flooding and may be inaccessible during some portions of the year; also, downed trees may occasionally block the Tram Road.
